

Trail Corridors

4/29/13 Wauer

All submitted mpo trail projects are included in the following trail corridor specifications along with its corresponding mpo project number. Existing trail segments, or trail segments that are funded from other sources, or left off of the submitted trail list but are necessary to complete a corridor are identified with a "0" project number. Corridors are generally listed in sequence with East-West corridors from top to bottom and North-South corridors from left to right.
